in this great future you can't forget your past so dry your tears I

say and

1) No woman no cry, no woman no cry, no woman no cry, no woman no cry

Said, said , said I remember when we used to sit in the government yard in Trench town.
Ober observing the hypocrites ,as they would mingle with the good people we meet.
Good friends we have oh good friends we've lost along the way.
In this great future you can't forget your past .
So dry your tears I say and...

2) No woman no cry, no woman no cry here little darling don't shed no tears

No woman no cry ,
said, said , , said I remember when we used to sit in the government yard in trench town
and then Georgie would make the fire-light as it was, log wood burning through the night .
Then we would cook corn meal porridge of which I'll share with you
Ooh my feet is my only carriage , so I've got to push on through .
But while I'm gone I mean
Ev'rything's gonna be alright.....
